

**Paul Moore P.Geo.** currently serves as Vice President Exploration with Buchans Resources Limited a junior exploration and development company focused on base metal projects within the Buchans mining district of central Newfoundland.

Mr. Moore holds BSc (Hons) and MSc degrees in Earth Sciences (Geology) from Memorial University (1986, 1990).

Mr. Moore has been actively involved in the mining industry since 1987 and his career has included senior technical roles with Teck Corporation and Anglo American (1991-2002).

Prior to joining Buchans Resources in 2007, Mr. Moore held senior roles with several Newfoundland and Labrador-focused junior exploration companies, including Rubicon Minerals and Cornerstone, as well as serving as a mineral deposits geologist with the Geological Survey of Newfoundland and Labrador.

Mr. Moore is an active member of several industry and professional associations including past director of the Professional Engineers and Geoscientists of Newfoundland and Labrador (PEGNL), past director with the Newfoundland and Labrador Chamber of Mineral Resources (now Mining NL), and former Vice President of the New Brunswick Prospectors and Developers Association (NBPDA).

Mr. Moore is a member of the Prospectors and Developers Association of Canada, the Newfoundland and Labrador Branch of CIM, and a Fellow of the Society of Economic Geologists.
