Mining Industry NL

Mining Industry NL is a not-for-profit membership industry association representing all sectors of Newfoundland and Labrador's mineral resources industry. As the voice of the mineral resources sector in Newfoundland and Labrador, Mining Industry NL's mission is to help shape and grow the industry for the economic and social benefit of the province. Founded in 1994, Mining Industry NL promotes the province's mineral potential, attracts investment and builds strong relations throughout the entire mining value chain, including exploration (prospecting community and junior exploration companies), mining (mine developers and producers) and supports (supply and service firms).

With a mandate focused on advocacy, public outreach and promoting Newfoundland and Labrador's mineral potential as a top-tier global investment jurisdiction; our vision is to ensure Newfoundland and Labrador is the best place in the world to operate a mine. Our members include junior explorers, mine developers, mine operators, and a range of supply and service firms.
